Graduate Student Open House

UConn School of Engineering
Saturday, October 29, 9 - 4PM

WHY UCONN FOR GRADUATE SCHOOL?
Exciting Interdisciplinary Programs • Outstanding Faculty • Competitive Stipends • Nice Environment

WHY ATTEND UCONN ENGINEERING GRADUATE OPEN HOUSE?
Prospective graduate students can meet faculty and learn about their research interests; view research posters presented by current graduate students and their advisors; explore modern labs and classrooms and receive information about the programs, application procedures and graduate funding sources.

UConn School of Engineering offers nine Ph.D. and M.S. degree programs in core and interdisciplinary subjects, including Biomedical Engineering, Chemical Engineering, Civil Engineering, Computer Science & Engineering, Electrical Engineering, Environmental Engineering, Materials Science and Engineering, Mechanical Engineering, Polymer Science, and Master of Engineering.

AGENDA INCLUDES:
• Presentations by Faculty
• Poster Session by Students
• Application Information Session
• Research Lab Tours
• Campus Tour
• Lunch

Please visit https://grad engr.uconn.edu/rsvp to RSVP.

PLEASE CONTACT SONYA RENFRO (EMAIL: SRENFRO@ENGR.UCONN.EDU; TEL: 860-486-5536) FOR ANY QUESTION.
