The Innovation Connection

Where opportunity & innovation meet. Serendipity by design.

Thursday, July 25, 2013
3:30pm – 4:30pm
Interactive Panel Discussion & Posters
The UConn Department of Chemical & Biomolecular Engineering Department with participation from Materials Science and Engineering hosted a Research Experience for Undergraduates-Site sponsored by the National Science Foundation. This program funded 9 undergraduate researchers for 10 weeks. The students worked on projects and were enrolled in a business and entrepreneurship course on the mechanics of business. 

Moderator: Claire Leonardi, CEO, CT Innovations

4:30pm – 6:30pm
Social Networking
Come and meet innovators and entrepreneurs of every stripe in a relaxed atmosphere (food and beverages)! It’s all about innovation in Connecticut, with a highlight on UConn’s pioneering developments in science.
