A World Leader in the Design, Manufacture, and Service of Aircraft Engines

Thursday, September 17, 2015
5:30 – 7:00 PM
UCONN, Laurel Hall 206

Guest Speaker: Ben Reinert, Chief Engineer

Presentation: This is UTC and Pratt & Whitney

Represented Groups:
- Cold Section – Ben Reinert, Kirk Chamberlain
- Hot Section – Scott Virkler, Deanna Elliott
- Materials & Processes Engineering – Monika Kinstler
- Global Services & Manufacturing Engineering – William Snider

Above groups recruiting the following Majors:
- ME, MSE, CHEG, Chemistry

Please join us for pizza and learn about exciting jobs and internship opportunities at Pratt & Whitney!

Thursday, September 24, 2015
6:30 – 8:00 PM
UCONN, UTEB 175

Presentation: Discipline Groups Overview

Represented Groups:
- Core Structures – Dave Houston, Emily Roto
- Systems Analysis & Aerodynamics – Kristin Kopp-Vaughan
- Systems Engineering & Validation – Ben Mancuso
- Propulsion Systems Analysis – Steve Sirica

Above groups recruiting the following Majors:
- ME, EE, ENG Physics, Applied Physics, CHEG, CSE
